myPROzip
Smart Professional Stacking kit

Especially designed for smart businesses.

- **Stacking kit with pull out shelf for myPRO and myPROzip washing machine and tumble dryer**
- **Maximize laundry space by stacking the tumble dryer on top of the washer, adding minimal height between units**
- **The shelf may be used for folding and to support linen basket when emptying of dryer**

Benefits and features of myPROzip range

- **Superb capacity and performance:**
  - Process all laundry in one go thanks to generous 8 kg capacity
  - Best wash results and garment care due to unique professional drum with 4.5 mm holes for efficient evacuation of debris (standard 2.2 mm)
  - Time and cost savings in drying with moisture extraction at 1,400 rpm (washer)
- **Outstanding flexibility and garment care:**
  - Meet every need with dedicated programs
  - Prevent over-drying of garments and save time and energy with professional Residual Moisture Control technology (dryer)
  - Flexible installation thanks to smart drain pump configuration (washer)
  - Greater peace of mind: optional direct connection from condensed water tank to drain for instant discharge (dryer)
- **Triple the lifetime[1]:**
  - Extra long lifetime due to more durable machine construction with professional components
  - Less vibration thanks to highly effective shock absorbance system and optimally balanced components and panelling (washer)
  - Less vibration and noise: below 70 dB based on specially designed transmission system, condenser and panelling (dryer)
  - No chemical corrosion: stainless steel front and top

Perfect for small operations such as

- Small hotels and bed & breakfasts (guest use)
- Out-of-home resident services
- Camping, marina, petrol stations, student houses

[1] Compared to domestic machines

Product data	
Model name	STA9S
Height, mm	60
Width, mm	610
Depth, mm	600
Closed-open depth, mm	610 - 950
Packaging height, mm	95
Packaging width, mm	650
Packaging depth, mm	645
Weight (with packaging), kg	3.8 (4.6)
Max load, kg	15
