LX9-1-TM-T Canister

Cleaner and easier emptying with Compact &Go™

Convenient, time-saving cleaning with Compact &Go™. Compact the dust before emptying for quick, clean and easy dust disposal or compact the dust to gain capacity to continue to vacuum longer.

More powerful cleaning with Multi Turbo Cyclone™

For better cleaning results, the Multi Turbo Cyclone™ improves suction for greater dust pick up. For easier emptying, it also separates the dust from the air and forces it to the sides of the dust bin.

Allergy Plus™ excellent filtration for a cleaner home

Protect your home from allergens by trapping even the smallest particles in this top performing, washable filter. Efficient cleaning and fresh air for all the family.
